

DiDIY Rights and obligations

Wouter Tebbens
14 July 2015

WP6 Main Aims (reminder)

1. to investigate and provide a permanent reference about the **main legal issues** associated with the social diffusion of DiDIY;
2. to investigate the **ethical implications** of DiDIY on rights and responsibilities;
3. to investigate the **creative design implications** of DiDIY on rights and responsibilities;
4. to assure the dissemination of the **Project results** under free licenses and open standard formats, and its raw data as Open Data.

Goal of this session

- Commitments of partners to WP6
- Overview results so far
- Brainstorm on work ahead
- Prepare the LAB (Legal Advisory Board)

Deliverables

<i>Deliverable</i>	<i>Title</i>	<i>Lead</i>	<i>Deadline</i>
D6.1	Dominant legal challenges and solutions practiced	FKI	M20
D6.2	Report on ethical impact for regulation	AC	M24
D6.3	Legal practices of DiDIY hardware technologies	FKI	M26
D6.4	Legal aspects of dissemination of the project results	FKI	M26
D6.5	Use of open standards and collaboration tools	FKI	M26
D6.6	Creative design and laws, rights and responsibilities	POLIMI	M26

Who is in the team

<i>Partner</i>	<i>Persons</i>	<i>Budget (in person months)</i>	<i>Contributions</i>
FKI	Wouter Tebbens, Marco Fioretti	10 pm	Lead WP6, D6.1, D6.3, D6.4, D6.5
LIUC	Elena Falletti	10 pm	
UOW		2 pm	
AB.ACUS		1 pm	
MMU		2 pm	
AC	Vincent Müller, Alexander Erler	9 pm	Lead D6.2
POLIMI	Marita Canina, Laura Anselmi, Carmen Bruno, Elisabetta Coccioni, Giuseppe Salvia, Valentina Rognoli	9.5 pm	Lead D6.6

project results (task 6.3)

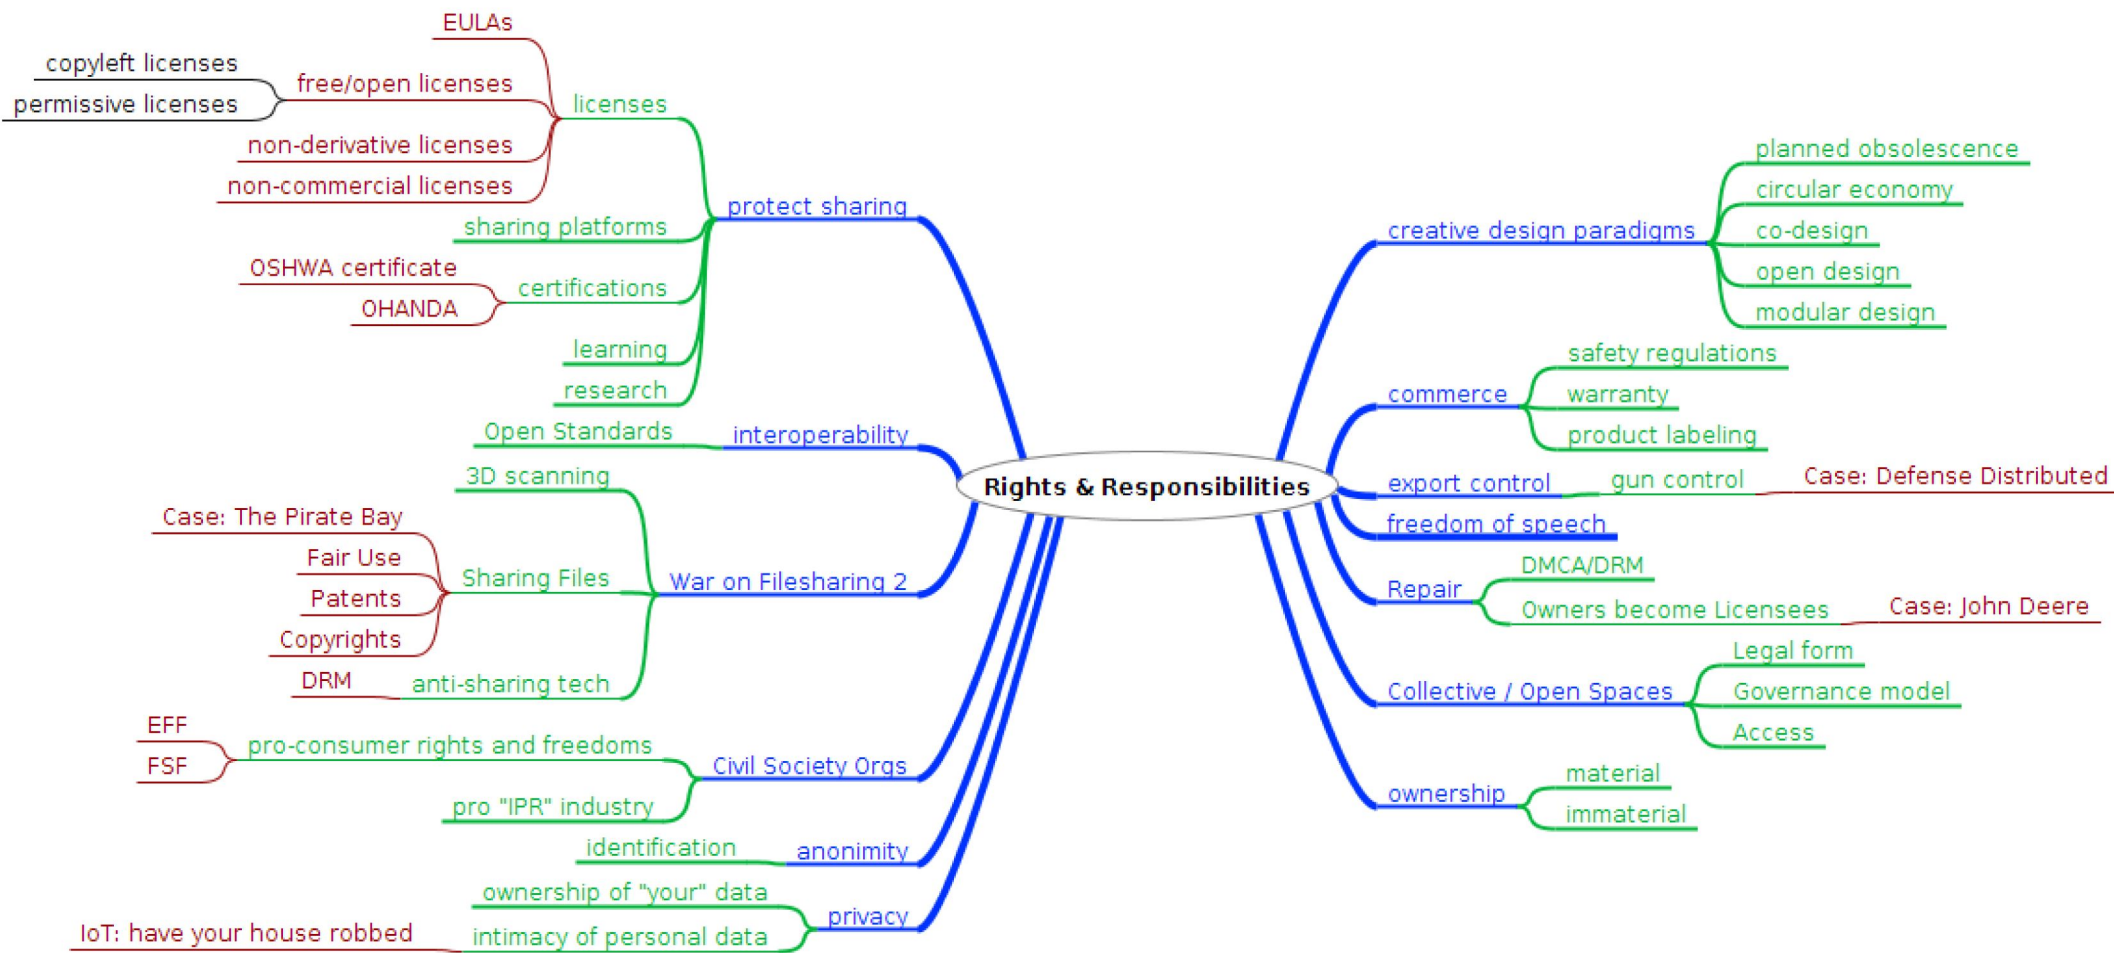

- *“results should be equally accessible and reusable by all European citizens and organisations”*
- D6.4 > Free licenses (note differences with “**open licenses**”)
 - Documents: CC BY-SA
 - Software: N/A (GPL, ...)
 - Databases: OpenDataCommons **PPDL**
- D6.5 > Open Standards and free file formats
 - ODF, PDF, HTML, SMTP, ...

Brainstorm

- tap into collective intelligence
- map main aspects & issues to be studied further
- Workshop methodology
 - introduction main issues (central)
 - split in small groups (ca. 6 persons)
 - each group makes map
 - share results altogether (central)
 - make clusters and identify more promising ideas / perspectives
 - conclusions

Brainstorm

- **main legal issues**
- **ethical implications**
- **creative design implications**

LAB

- reputed legal practitioners and scholars with experience and know-how of the legal issues surrounding DiDIY
- will be consulted on the cases and legal parts
- during the proposal development an initial group of legal practitioners and scholars with experience in these domains has been consulted and has shown willingness to participate
